

The OCDSB is conducting an
Elementary Alternative Program
Review. The Alternative Program
option of the public school board is

AT RISK!

AN ALTERNATIVE CHOICE

MAKE IT PERSONAL: Share your family's experience with the
Alternative Program and Churchill Alternative.

MAKE IT BIG: Get your neighbors and family involved, this impacts all
aspects of our community. Talk to your kids and get them involved —
they can send letters as well.

MAKE IT COUNT: Even if you only send a letter template it is important
— we need to let the review committee know that we are concerned
and feel that the review is being unfairly conducted.
